

Flight of the Pigs 2006

11th Annual

Friday, November 24, 6:30am

Who are the Pigs?

Anyone who attempts this holiday endurance ride. The ride is long and includes some of the most challenging trails around. It is a fun group ride and we will try not to leave anyone behind. However, there will be a time cut-off early in the ride. Actual time cut-off is yet to be determined, but you should be able to ride from Pima Canyon parking lot to Buena Vista parking lot in less than 1 hour without killing yourself. Riders failing to meet the time cut-off are expected to abandon their flight, but are always welcome to try again next year. If you participate, strive to finish the ride in its entirety. Due to its difficulty, beginners should not participate.

When and Where:

The day after Thanksgiving (Friday, November 24).

Meet at 6:30 AM at the Pima Canyon parking lot near 48th St. and Guadalupe. The ride will last all day. Do not plan to do anything else that day.
